

Create-a-Saurus

Try your hand at creating and naming your own dinosaur! First, use the Greek and Latin words on this page to help name your dinosaur. Then, use your imagination to draw your dinosaur.

Choose one of these words as the first part of the name:

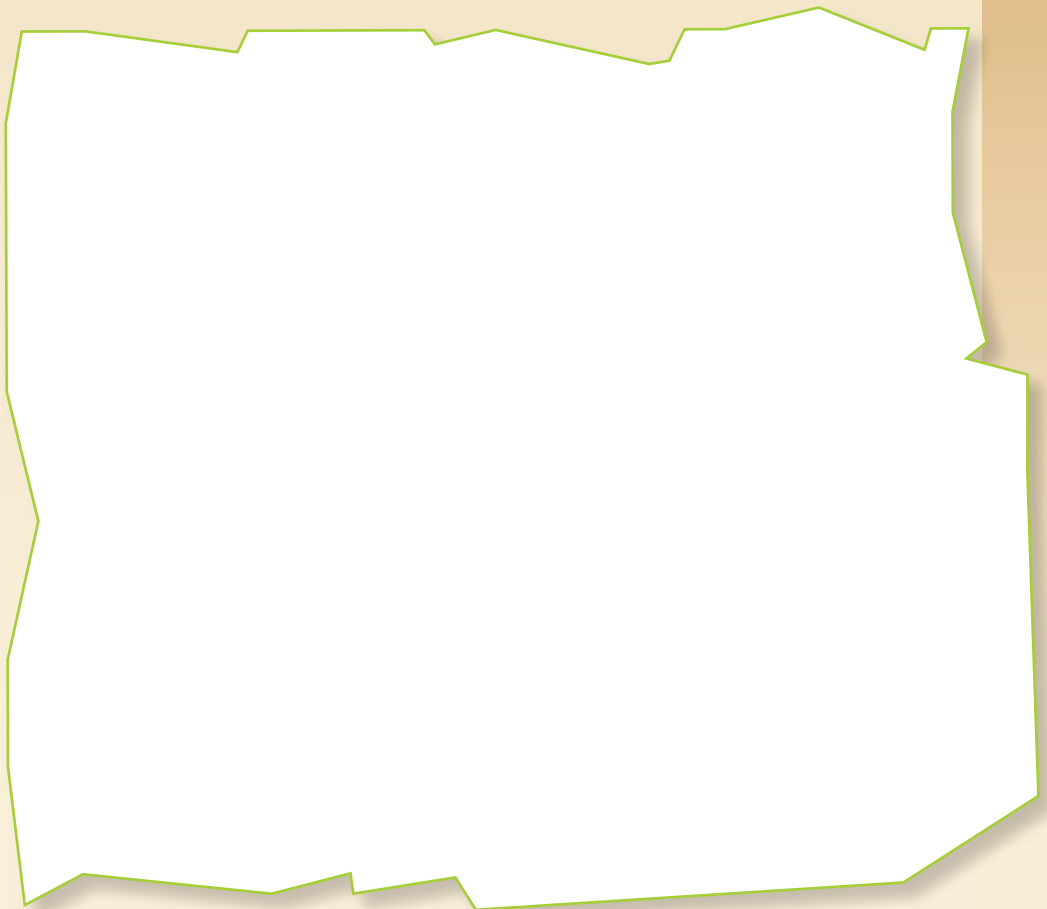

aqua—water
brachio—arm
cory—helmet
di—two
dino—terrible
diplo—double
lopho—crest
macro—big
micro—small
mono—one
octo—eight
odon—tooth
orni—bird
pachy—thick
pedo—foot
phyto—plant
poly—many
pteryg—wing
scolo—crooked
tri—three
tyrannos—terrible
xeno—strange

Use one of these words as the last part of the name:

-gnathus—jaw
-saurus—lizard
-podia—feet

Either first or last part:

cephalo—head
coel—hollow gut
derma—skin
phil—loving

My dinosaur is called _____

If you were a scientist describing your newly-found beast, what would you say about it?
